*A freehold title home in the Seychelles*

Imagine owning part of a private island, with private beaches, access to a world-class commercial precinct, international marina capable of handling super-yachts as well as a range of activities and leisure facilities for your exclusive use. Now you can.

Eden Island is a residential marina development featuring freehold title luxury apartments, spacious maisons and private villas, each with its own mooring. And with owners qualifying for residency of the Seychelles, it is a lifestyle that could be yours forever.
