

A large, leafy tree stands on the right side of a grassy field. In the background, a calm lake is visible under a bright, hazy sky. The scene is bathed in warm, golden light, suggesting a sunrise or sunset. The text "A JUST AND RIGHT BASED FRAMEWORK FOR NATURE" is overlaid in white, bold, sans-serif font across the upper portion of the image.

A JUST AND RIGHT BASED FRAMEWORK FOR NATURE

CLIMATE

JUSTICE

APPEL 2

CHUTZ

COMMON LITIGATION

- Violations of “climate rights” impacting fundamental human rights including the right to life, health, food, and water.
- Government failure to enforce climate change mitigation and adaptation commitments.
- Corporate messaging that contains false or misleading information about climate change impacts.
